

TOWN OF LUDINGTON
PERMIT FOR DRIVEWAY ACCESS TO TOWN ROAD

APPLICANT:

Name: _____

Address: _____

City: _____

Zip Code: _____

DRIVEWAY ON:

Road Name: _____

Town of: _____

LOCATION OF DRIVEWAY:

_____ side of the road _____ miles/feet _____ of _____

_____ ¼ of the _____ ¼, Section _____ Township _____ North, Range _____ W

Subdivision _____ Block _____ Lot _____

DRAINAGE STRUCTURE REQUIRED: Yes _____ No _____

If yes: Diameter _____ Length _____ Material _____ Other _____

NOTES AND CAUTIONS: The driveway, including the culvert, is to be installed before any building supply vehicles haul materials onto the lot. The driveway shall have the base course with a non-tracking surface of aggregate or blacktop on it, to prevent dirt from being tracked onto the town road. Cement trucks and all building supply vehicles will use the driveway to enter the property and will not drive through the road ditches. All washing of vehicles and deposition of excess concrete will be done on the property, not on the road right of way. Damage to the Town road or failure to otherwise comply will be the responsibility of the applicant for this permit. The road ditches shall not be filled without prior approval by the Town.

COMMENTS: Any restrictions to access? Yes _____ No _____
