

RESOLUTION

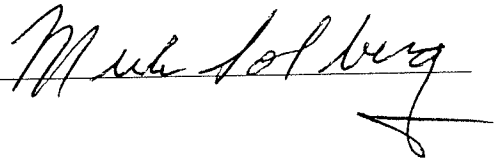

Resolved, that the Township of Ludington, hereby grants unto CenturyTel the Township's approval to install telephone lines along, under, across or within the limits of highways within said Township, subject to their jurisdiction, and subject to approval by the Division of Highways. Said lines to provide new service or to replace or improve present facilities.

The construction, operation, and maintenance of said lines are subject to all laws, ordinances, codes, and rules now in effect or as may come into effect from time to time.

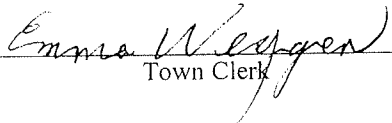

Nothing herein shall absolve CenturyTel from being required to remove said lines at their expense providing their installation was in any way improper.

This resolution to be effective for two years from date of adoption.

Adopted: 2-12-01

Signed: 

Attest:

Town Clerk

January 18, 2001

Mr. Merle Solberg
Township of Ludington
S5189 St Hwy 27
Augusta, WI 54722

Dear Mr. Merle:

Our construction season is approaching and we are again asking your permission to bury cable along Township roads in road right-of-way.

Enclosed is a two-year Resolution for your inspection and signature if it meets with your approval. We at CenturyTel have great respect for road right-of-way and want to make sure it is well taken care of when placing new or repairing existing cables.

If there have been any problems in your Township, would you please bring it to our attention. The toll free number is 1-800-562-9322, and the contact people will be Mike Chilson at extension 5141, or Jim Murphy at extension 5517.

Sincerely,

A handwritten signature in blue ink that reads "Don Moat/Kas".
